

COACHE- UCF

This year, UCF Participated in the COACHE Faculty Job Satisfaction Survey. The results have been aggregated and compared to all institutions and five self-identified peer institutions: (Univ. of Houston, FIU, FSU, Auburn, and NC State). There are three phases as we move forward: (1) based on what the results show determine priorities (3-5 top priorities to address) [fall 2015] (2) Develop a strategy to address these priorities [Spring/Summer 2016] and (3) implement strategies and reassess [Fall 2016 through 2017].
